

# Cozy Crew Charts

## from *Fibra Natura Book 5: Sensational Family Portraits*

Follow the chart between the lines that indicate the size you are knitting. If a line bi-sects a cable, work these sts as plain Stockinette.

On odd numbered rows (WS rows), read the chart from left to right.

On even numbered rows (RS rows), read the chart from right to left.

Note: The first and last stitch of every row should be knit, regardless of what the chart indicates, to ease seaming.
