PATTERN NOTES

Each sheep requires approximately 80 grams of the main color (the crochet body and Wooly cap portions) and 65 grams of the contrast color (the knitted limbs and ears).

The Sheep Body is worked in crochet, and the limbs/head are knit.

The Sheep Body/Wooly Cap are worked in unjoined rounds. Place a removable marker on the first stitch of each round to keep track of the beginning of rounds. Move this marker up each round.

When crocheting the Sheep Body and Wooly Cap, the WS will be facing you as you work. The textured alternating triple crochet/single crochet naturally falls to the opposite side. Simply turn the pieces inside out before completing.

The official names of the five sheep pictured are Sheldon, Sheila, Sherry, Shirley, and Woolma. Feel free to name your own!
